

## 14 ХАРАКТЕРНЫХ ЭТЮДОВ

Музыкант, без сомнения, утомится, играя такие длинные упражнения, но их глубокое изучение поможет найти средства исполнения до конца без затруднений.

Одно из лучших средств — это использовать музыкальную сторону, именно певучие пассажи, которые встречаются почти в каждом музыкальном произведения. Можно играть эти последние очень мягко, приглушая звук: открывая губы, получат, как это делают певцы, светлые звуки, а сжимая их, завуалированные. Это средство, давая в исполнении удачные контрасты, позволяет исполнителю отдыхать, не прекращая игры. К концу длинного отрывка исполнители приходят с запасом силы и возможностей, необходимых часто в этот момент.
