в переложении для

гитары

Выпуск 5

Данное издание предназначено для начинающих гитаристов. Ввиду этого, в некоторых местах аппликация проставлена подробнее общепринятого.

Наряду с простыми произведениями имеется несколько более сложных, требующих от музыканта определенной подготовки.

Задача сборника — восполнить нужду гитаристов в учебном материале, способствовать воспитанию их музыкального вкуса, а также послужить репертуаром для прославления Господа на богослужениях.
